

# Loso-Ja Sorry

Na na na ha  
all of my girls in the house  
selebele for me oh  
Let party all night  
who be that guy way say e no like go  
Let me take you round  
and you go see many things you go confirm, confirm  
Bad man just dey on e own.  
Say I dey drive them kolo  
Whenever me come no one run my race  
All of the girls don wan come my way  
So many sleepless nights,  
Omon time to jaye life han  
All of my guys,  
they love to pup chanpaign and dance and wind  
If the dance go drive me crazy  
I no go mind, I go putting body oo  
If the dance go drive you crazy  
make u no go putting body o  
We go party till early morning.  
get the fun and forget your sorrow  
Se you know say life na one  
and everybody get e story o

I just wanna have fun.  
Me no want fight o brother  
Omon Leave me make I feel myself.  
omon me no need stress o brother me oh  
Se you know say heaven is real  
And you know say people still dey flagabasting  
I just wanna do my own thing  
Call on my baby make she give the style  
Social media life e no real,  
and all the things just drive a man go crazy  
In-case man couldn't make it to heaven  
tell jar I'm sorry.  
Tell jar I'm m sorry  
know body know you when you no get nothing,  
Tell jar am sorry  
know body know you when you no get nothing,

So many sleepless night,  
Omon time to jaye life  
All of my guys  
they love to pore champagne and dance and wind  
If the dance go drive me crazy  
I no go mind, I go putting body oo  
If the dance go drive you crazy  
make u no go putting body o  
We go party till early morning.  
get the fun and forget your sorrow  
Se you know say life na one  
and everybody get e story o

Hello!  
girl your body is too yellow o  
You causing a scenario

# Loso-Ja Sorry

you wind you dey boost my brain.  
Bust my brain e yea e yeah  
Hello!  
girl your body's too yellow o,  
, and you causing a scenario  
the way you wind you dey bust my Brian  
Bust my brain e yea e yeah

Say baby girl no go act funny  
Se you know you no be granny  
Baddest wine no go bad for me  
every day we go gum body  
Killer man jarro  
omon body no be fire wood oo.  
With the way you vibe oo  
E dey make man dey mezenbu uiio  
Bad man just on e own.  
Say I dey drive them colo oo

When ever me come no one run my race  
All of the girls dey wan come my way!  
Give me that bum bum killer  
O baby girl's your bodies are killer  
You do me nice, I no fit real deny  
Love the way your vibe the wind  
Baby make you pumper my soul  
Every day me to dey by your side  
And you know no one do me Like that  
and you know your body bad
